Ultrasound Guided Peripheral Nerve Blockade Workshop with Cadaver Lab

Registration Limited to Physicians

June 5-6, 2015
FRIDAY-SATURDAY

Granite Bay Golf Club, Granite Bay, CA
and
UC Davis Medical Center Anatomy Lab, Sacramento, CA

Sponsored by:
Office of Continuing Medical Education
Department of Anesthesiology and Pain Medicine
Friday, June 5, 2015
Lectures & Live Model Demonstration

7:00am - 8:00am
Registration, Continental Breakfast
Visit Exhibits

8:00am - 8:45am
The Physics of Ultrasound

8:45am - 9:30am
Ultrasound Equipment, Scanning Technique & Image Optimization

9:30am - 10:00am
Coffee Break / Visit Exhibits

Workshop/Live Model Demonstration/UGRA

10:00am - 12:00pm
Interscalene/Supraclavicular blocks
Infraclavicular/Axillary blocks

12:00pm - 1:00pm
Lunch/Visit Exhibits

Workshop/Live Model Demonstration/UGRA

1:00pm - 2:45pm
Femoral / Adductor/Truncal blocks

2:45pm - 3:15pm
Coffee Break / Visit Exhibits

Workshop/Live Model Demonstration/UGRA

3:15pm - 4:45pm
Popliteal/Neuraxial/Paravertebral blocks

4:45pm - 5:00pm
Q & A

5:00pm
Adjourn

Saturday, June 6, 2015
Cadaver Lab

7:30am - 8:00am
Registration & Continental Breakfast

8:00am - 10:00am
Hands-on Workshop
Above the Clavicle blockade
Infraclavicular block
Popliteal block
Axillary block

10:00am - 10:30am
Coffee Break

10:30am - 12:30pm
Hands-on Workshop
TAP block
Paravertebral block
Femoral block
Adductor block

12:30 pm
Adjourn
Faculty
Stephen M. Macres, MD
Professor
Lead Faculty Chair

Instructors
Robin J. Aldwinckle, MD, FRCA
Associate Professor
Kenneth Furukawa, MD
Professor
Danilo Ramos, MD
Assistant Professor

Conference Coordinator
Beng Salud, BSBA

Educational Objectives
At the end of the program, participants should be able to:
• Discuss and describe ultrasound equipment operations, scanning technique and sonoanatomy.
• Identify the tip of the block needle using conventional and echogenic needles.
• Demonstrate successful placement of continuous nerve catheters using ultrasound guidance.
• Demonstrate the ability to successfully perform:
  • Ultrasound guided peripheral nerve blocks above the clavicle
  • Ultrasound guided peripheral nerve blocks below the clavicle
  • Ultrasound guided axillary nerve blocks
  • Ultrasound guided femoral/adductor canal nerve blockade
  • Ultrasound guided neuraxial blockade
  • Ultrasound guided sciatic subgluteal blockade
  • Ultrasound guided paravertebral blockade
  • Ultrasound guided truncal blocks

Target Audience
The course is designed for anesthesiologists and pain medicine physicians involved with the perioperative care of surgical patients.

Needs Assessment
The role of the anesthesiologist is to provide the patient with excellent perioperative pain control using multimodal pain techniques. One of the most important technique which the physician needs to perfect is the performance of peripheral nerve blocks utilizing ultrasound guidance. The purpose of this workshop is to provide the physician with a comprehensive update on the latest developments in ultrasound guided regional anesthesia. This will be accomplished through didactic lectures and practice on live models, followed by extensive practice with cadavers. Emphasis will be placed on scanning technique, image interpretation, needle guidance and continuous catheter insertion techniques.

This 1 ½ day workshop will provide practitioners with evidence based methods and strategies to assist them in providing better treatment options for their patients. Faculty presenting and interacting with participants at this activity have been selected on the basis of their comprehensive clinical experience and academic excellence.
Registration for the 1 ½ day workshop is limited to 20 registrants and is filled on a first-come, first served basis. This workshop will fill up quickly so Register Early! Early enrollment tuition is $1,299. Confirmation of registration will be sent within two weeks after receipt of enrollment form.

Tuition includes a continental breakfast, refreshment break, lunch, and a certificate of attendance. Duplicate certificates are $15. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. Refunds must be requested by May 8, 2015 and will be subject to a $75 administrative fee. Program materials cannot be guaranteed unless enrollment is received by May 20, 2015. The Department of Anesthesiology and Pain Medicine reserves the right to cancel this program. In such a case, a full refund will be given.

Registration forms received without payment will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the enrollment form. After that date, the late fee is applied.

Cancellation and Refund Policy  A refund of tuition, less $75 administrative fee, will be allowed if requested in writing by May 8, 2015. No refunds will be provided after this date.

Accreditation  The University of California, Davis Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation  Physician Credit: The University of California, Davis Health System designates this educational activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Pain Management  California Business and Professions Code (Section 2190.5) requires physicians and surgeons to complete 12 hours of mandatory continuing education on pain management and the treatment of terminally ill and dying patients. Physicians licensed prior to January 2002 were to have completed this requirement by December 31, 2006. Physicians and surgeons licensed on or after January 1, 2002 must complete this requirement within 4 years of their initial license or by their second renewal date, whichever occurs first.

Granite Bay Golf Club
9600 Golf Club Drive
Granite Bay, CA 95746
http://tinyurl.com/llbmcm4r

Granite Bay Golf Club, a premier Northern California golf club, is located in the Sierra Foothills east of Roseville, near the western shore of Folsom Lake, among granite outcroppings, mature oaks and natural lakes.

Please consider layered clothing as temperature conditions may vary in the meeting room.

Local Accommodations
Larkspur Landing 916-773-1717
Hilton Garden Inn 916-773-7171

Parking
Parking is available onsite.

Cadaver Lab Location
The Cadaver Lab is held at the UC Davis Medical Center Anatomy Lab located in Facilities Support Services Building, 4800 2nd Avenue, Sacramento 95817.

If you have any special needs due to a disability as specified in the Americans with Disabilities Act, please call the Department of Anesthesiology and Pain Medicine at (916) 734-1574 so we may make the necessary accommodations for you.

UC DAVIS HEALTH SYSTEM CME MISSION
In concert with the University of California, Davis Health System mission of discovering and sharing knowledge to advance health, the continuing medical education mission focuses on the lifelong learning commitments of physicians who practice in the health system and in the greater Northern California region. UC Davis CME is at the nexus between scientific discovery and its translation to practice with a commitment to provide a variety of educational formats for evidence-based education that fulfills identified needs and produces changes in physician practice resulting in improved competence, performance and/or patient care. With an emphasis on multidisciplinary programs, content is based on competencies and bona fide needs assessments as well as clinical requirements. The CME Advisory Committee reviews the content and quality of CME offerings in accordance with the Accreditation Council for Continuing Medical Education’s Essential Areas and Their Elements and the American Medical Association’s Physician Recognition Award accredited provider information.
